

Join our fundraiser

and help bring clean water to Guatemala!

Join Salem Montessori School as we fundraise for a well to be installed in Guatemala. All profits will go directly to this project!

Our fundraiser, the Third World Challenge, mimics the circumstances in a third world country by doing an activity a day, such as taking a shorter shower or turning off the air conditioner and a reflection.

[View the activities:](https://aguaproject.github.io/pdf?u=ThirdWorldChallenge.pdf)
